

# Q1: How many times were 'Animation Movies' rented out?

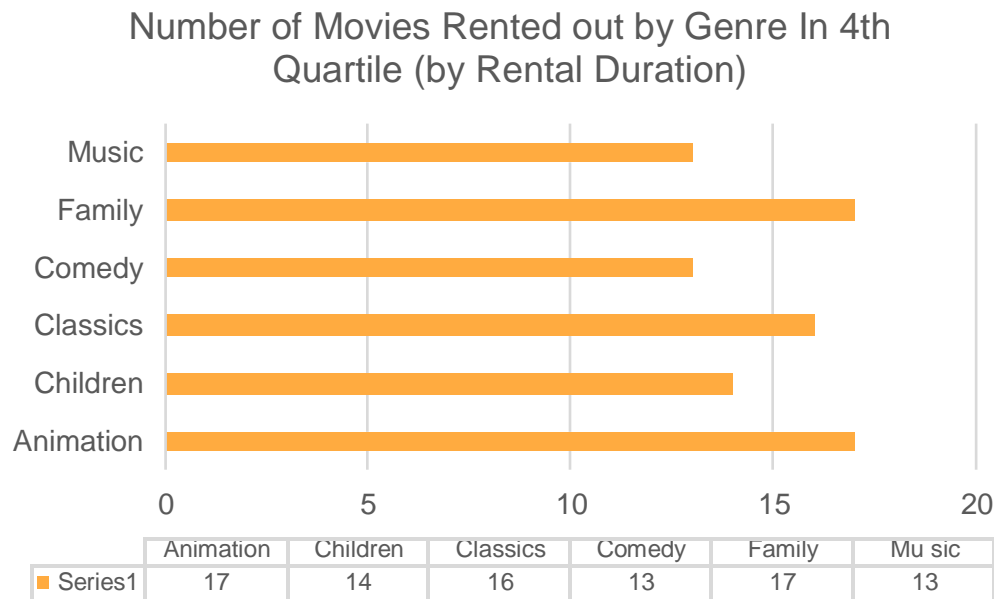

**Animation movies were rented out the most followed by family genre. Music genre was the least rented out category among family movies.**

# <What is the shortest and longest rental duration?>

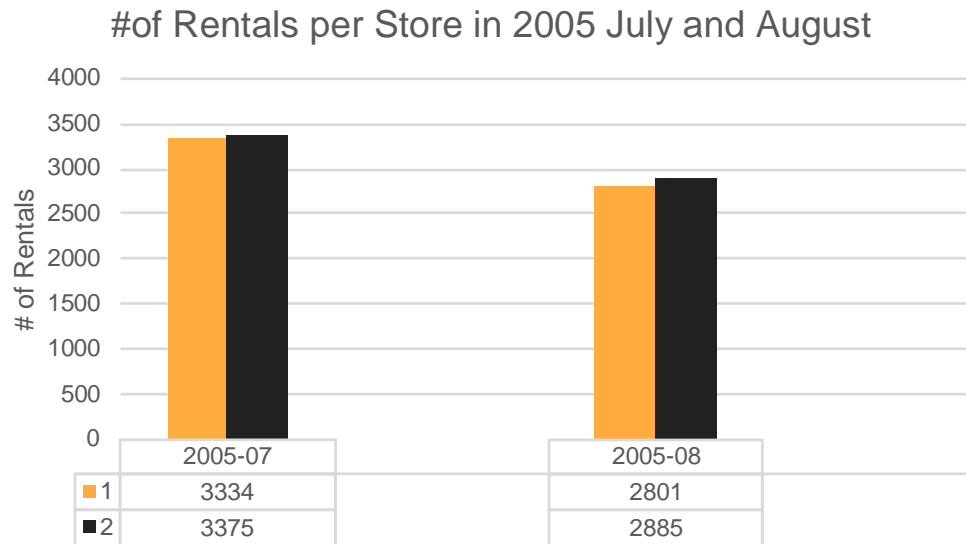

**Shortest rental duration is three days while the longest is seven days. Also seen from the graph, same rental days can be categorized into either 1<sup>st</sup> or 2<sup>nd</sup> quartile.**

# Q3: Which genre of movie were most checked out in the 4<sup>th</sup> quartile of rental duration?

**In the 4<sup>th</sup> quartile of longest rented out movies, 'Animation' and 'Family' movies were the most popular genre.**

# <How many rentals did each store process in July and August of 2005? >

**Both stores performed similar in terms of rentals in both July and August of 2005**

**\*I couldn't produce the whole data because the Project page was down (It contained 'papers' ERD not 'actors')**

**→ This data is from what I jotted down earlier while I was doing the project**
